# AGENDA

---

7:00 PM Welcome and Introductions

7:05 PM Overview of Recreation Planning Process

7:10 PM Presentation of Existing Conditions/Key Recreation Trends

7:30 PM Brainstorming of Recreation Issues, Desires and Ideas

Attendees will work together in small groups and will be asked to take 30 minutes to brainstorm various ideas, issues, concerns and desires as they relate to parks and recreation within the township. As a reference, groups will be provided with maps showing the entire Township park system as well as aerial maps of each individual park. Each of the small groups will then present the results of their brainstorming session with the large group as a whole, and each idea will be noted on flip charts. Once all comments are gathered and noted, the flip chart sheets will be lined up along a wall.

8:45 PM Prioritization of Recreation Issues, Desires and Ideas

As they leave, each participant will be given 3 sticker dots and will be asked to use those dots to help prioritize the many ideas and thoughts that are generated during the exercise. The end result of the workshop will be a prioritized list of ideas concerning parks and recreation in Harrison Township.
