PROPOSAL 1

A reduction from last year's millage, this is a proposal that eliminates the special assessment for fire protection services, and funds and supports the operations of the Fire Department, police protection services and the general operations within the Township for the year 2005.

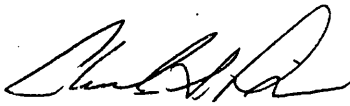

Shall the authorized Charter millage within the Charter Township of Harrison, County of Macomb, as reduced by the required millage roll-back, which resulted in a levy of 3.8234 mills (\$3.82 per \$1,000 of taxable value) upon taxable real and tangible personal property within the said Township, be increased by 2.6949 mills (\$2.70 per \$1,000 of taxable value) to offset such millage reduction for a total of 6.5183 mills (\$6.52 per \$1,000 of taxable value) for the year 2005, of which 5 mills will be allocated for fire protection services, including vehicles, apparatus, equipment, housing, personnel, and emergency medical and ambulance service; .8713 mills for police protection services; and, .6470 mills for the general operations within the Township which will raise in the first year of levy an estimated \$5,567,239.00, and which shall be in lieu of any special assessment for fire protection services?

PROPOSAL 2

A proposal to increase the authorized Charter millage to provide additional funding for the Parks and Recreation Department and senior citizen activities within the Township for the year 2005.

Shall the authorized Charter millage within the Charter Township of Harrison, Macomb County, be increased .2264 mills (\$0.23 per \$1,000 of taxable value of real and tangible personal property) for the year 2005, to fund parks and recreation activities and senior citizen programs which will raise in the first year of levy an estimated \$193,332.00?

I Charles S. Pierce do hereby swear and affirm that above contained proposals are a true and accurate reflection of the proposals adopted by the Board of Trustees on 5/24/04.
